General Information

LOCATION—The sale will be held in the modern heated sale pavilion on the Osceola County Fair Grounds just three blocks west of the main intersection in Sibley, Iowa. Sibley is at the junction of Highways 9 and 33, and excellent paved and graveled roads run in all directions. It is on the main line of the Chicago and Northwestern Railroad.

TIME—The sale will start at 12:30 p.m. on Tuesday, January 12, 1954.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignors or written from information supplied by the consignor.

MAIL BIDS—Mail or wire bids may be sent to: Allan C. Atlason, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Clem Larson, Callendar, Ia., Thos W. Sherlock, Wallace Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa.

Forword

Shorthorn Breeders of the Tri-State area present their 14th annaul show and sale at Sibley, Iowa on Tuesday, January 12, 1954.

If you will turn the pages of this catalog you will see pedigrees, descriptions and some photos of the choice animals that are being offered the public for their selection and appraisal at public auction.

The reputation of the breeders, and cattle offered by this Tri-State Association are its best recommendations. However, they are not content to rest on their past laurels and by studying this catalog you will see that every year top herd bulls from the best sales in the country are brought into this area and their get offered.

In addition to the breeders who have been consignors continually, each year new breeders join and help bring in additional quality animals.

Buyers have always been well satisfied with their purchases at the Tri-State Sale, and this year the buyers will be able to satisfy themselves as they have before.

The Tri-State Association appreciates the co-operation of the Sibley Chamber of Commerce again this year in presenting this prominent annual regional event.

Come to Sibley Tuesday, January 12 See a top breeder judge a good show, and buy the kind of cattle that will appeal to you.

MERCURY MASTER—This is a short-legged, deep bodied, dark red bull that should please many. He was grand champion bull at the Cottonwood county fair this fall. His sire was grand champion bull of the 1949 Tri-State Show and Sale. His dam was grand champion female of the 1950 Tri-State Show and Sale. This is an outstanding individual, and carries the best of breeding. He will make a herd bull.

M V ROYAL RANSOM—Even though we have produced several Tri-State Champion and top bulls, this is one of our best. He has a rich, dark roan, natural curly coat, is good headed, short coupled, square and smooth, and stands on the sturdiest set of legs you will find. His pedigree cannot be faulted with his blending of Ransom, Prince Peter, and Goldfinder breeding. His dam is one of the best daughters of Prince Peter. This bull should go to a top herd. If you are looking for a herd bull, make it a point to see this bull.
